

BEYOND THE BOOK ACTIVITIES

BOOK: *Frindle*

AUTHOR: Andrew Clements

ACTIVITY: Create new words to call things

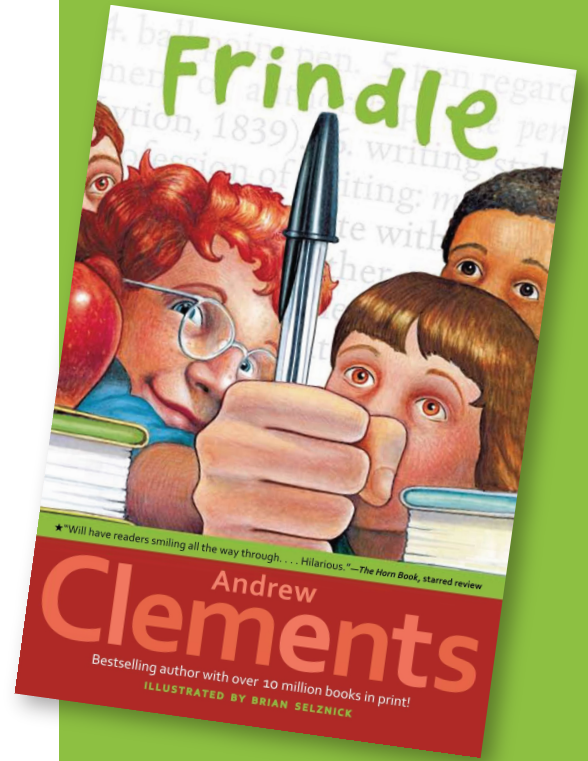

INSTRUCTIONS:

In this book, the word pen is replaced by the word frindle. Words get attached to objects without any real meaning except to say what that object is.

1. Come up with your own words for any objects that you commonly use. The only thing you cannot rename is a pen since that is chosen in the book.

2. Record your new words here:

pen	is now	frindle
_____		_____
_____	is now	_____
_____		_____
_____	is now	_____
_____		_____
_____	is now	_____
_____		_____
_____	is now	_____
