

# BEYOND THE BOOK ACTIVITIES

**BOOK:** *Who is Stan Lee?*

**AUTHOR:** Geoff Edgers

**ACTIVITY:** Create a Superhero!

## INSTRUCTIONS:

1. Think about what you think makes a good superhero. You can choose qualities from your favorite heroes or people you know.
2. Write down these qualities and add things you think every hero needs. Once your list is complete, start thinking about what you want to call your hero (it can be anything).
3. Draw a picture of your hero's supersuit. You can even start making your own comic starring your hero!
4. To see Stan Lee talk about Marvel comics and what superheroes mean to the world, check out these YouTube links.
