

BEYOND THE BOOK ACTIVITIES

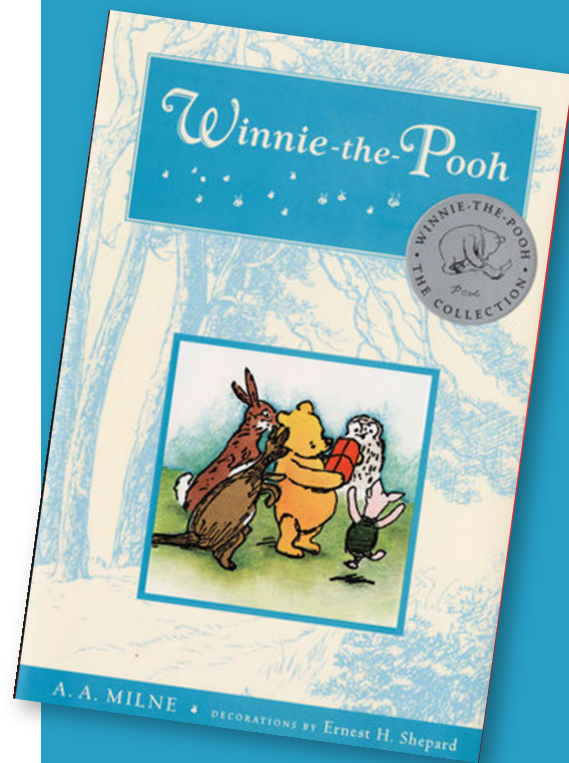

BOOK: *Winnie-the-Pooh*

AUTHOR: A.A. Milne

ACTIVITY: Make A Winnie the Pooh plush

INSTRUCTIONS:

1. Draw an oval (Pooh's head) on yellow fabric. Layer another piece of yellow fabric underneath and cut out your oval on both pieces.
2. Glue the two pieces together around the sides (adult assistance required). Leave a gap for stuffing.
3. Let dry and flip inside out. Your seams are now on the inside.
4. Stuff Pooh's head using the gap you left. Seal your gap with hot glue. First fold the edges under to create a nice seam.
5. Make sure there are no holes. If there are, fix them with the hot glue gun.
6. With the leftover yellow felt make the ears. Draw a small circle for the ear shape. Layer 4 pieces of fabric and cut out the shape so you have 4 circles.
7. Repeat the gluing process used for the head on each ear. Remember to leave a gap for stuffing.
8. Let dry and flip both ears inside out. Fill with stuffing and seal ears with hot glue gun.
9. Glue the bottom of the ears onto the head.
10. Cut out the eyes and nose from brown felt. Cut thin lines of brown felt for the facial expressions. Glue on the face to finish your Pooh plush.

SUPPLIES:

- Yellow felt/fabric
- Brown felt/fabric
- Hot glue gun (adult assistance required)
- Cotton/wool/stuffing material
- Scissors
