

Autumn Leaf Mobile

Materials:

- Tissue Paper Leaves (or real leaves)
- Paper plate
- String
- Markers or paint

Instructions:

1. Color or paint the paper plate brown.
2. Cut a spiral in the paper plate by cutting around in circles all the way to the center.
3. At the center, poke a small hole (with a grown-up's help).
4. Glue the leaves on the spiral and let them dry.
5. Weave the string through the hole in the middle and tie it together. You can hang this inside or outside.
