

Folded Dinosaur

Materials

- Template
- Scissors
- Markers

Directions:

1. Color the dinosaur with markers.
2. Cut out the template.
3. Cut the slit next to the dinosaur's head.
4. Fold the dinosaur in half on the dotted line.
5. Cut the slits on the center of the dinosaur.
6. Fold the dinosaur head on the dotted line and fold the tail.
7. Unfold the dinosaur and crease the center v-shapes to make flaps.
8. Refold in the middle and stand your dino up!
