

Four Seasons Tree

What's in the Craft Kit:

- Template with 4 trees
- Tissue paper squares in pinks and greens
- Cotton ball
- Strips of cardboard

What you will need at home:

- Dry leaves from your neighborhood/park
- Glue
- Color pencils/markers/watercolor

Instructions

(Look at the example photos for reference, it will help with the steps)

- Color in the four tree areas in different colors of your choice. I used watercolor. You can also use color pencils or crayons.
- Place small dots of glue on the branches of all trees
- For Spring: Use pink tissue
- For Summer: Use green tissue
- For Fall: Crush up your dry leaf and sprinkle on
- For Winter: Use small pieces of cotton ball
- Glue down the strips of cardboard to make a window around the trees

And, Voila!

You can see all four beautiful seasons through your window.
