

At Home Craft Activities

Mittens

Items included in packet

- Template of mittens
- Yarn
- Cotton balls
- Cardstock paper

Items needed at home

- Glue or tape
- Scissors
- Markers, crayons or colored pencils

Instructions

If needed, use the photo for reference

1. Color the mittens using the dot markers provided at the library or with materials you have at home.
2. Cut out the two mittens from the template.
3. Glue the cotton balls onto the bottom portion of the mittens. You can spread the cotton balls out to make them thinner and cover more space or glue them on as is.
4. Arrange the mittens onto the full size sheet of card stock paper. Once you have your mittens arranged glue them to the paper.
5. Connect the mittens together with the piece of yarn. Once you have your yarn arranged glue it to the paper.
