

New Year's Wishing Wand

Materials Needed:

- 1 Big star cutout
- 1 Mini star cutout
- 1 Container of glitter
- 3 pipe cleaners
- 1 piece of ribbon
- Scissors
- Glue/tape
- Markers

New Year's Wishing Wand Instructions

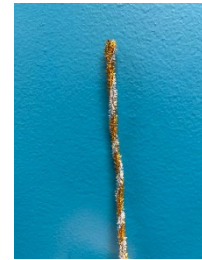

1. Glue the small star in the middle of the big star.

2. Write "2023" in the middle of the small star.

3. Write your hopes for the new year on the outline of the big star.

4. Wrap the pipe cleaners around each other so they become one stick.

5. Tie the ribbon to the top of the pipe cleaner stick.

6. Tape the pipe cleaner to the back of the wand.

7. Use glue to put glitter on the front of the wand to decorate.
