Paper Plate Fish

Items included in packet

- Paper plate
- Tissue paper
- Googly eye

Items needed at home

- Glue
- Tape
- Scissors
- Markers, crayons or colored pencils

Instructions

If needed, use the photo for reference

1. Cut a large triangle from one section of the paper plate.
2. Attach the triangle that was just cut from the paper plate to the opposite side of the cutout portion of the plate to make the fishtail.
3. Decorate the fish with tissue paper or markers.
4. Add the googly eye to the fish.
