

At Home Craft Activities

Paper Plate Snowman

Items included in packet

- Paper Plate
- Construction paper - assortment of colors
- Cotton balls
- 2 buttons
- Jewels

Items needed at home

- Glue or tape
- Scissors
- Crayons or markers

Instructions

If needed, use the photo for reference

1. Cut out the center portion of the paper plate. This will provide you with two separate circles to use for the body and head of the snowman. If needed ask an adult for help.
2. Glue the cotton balls onto the large circle. You can spread the cotton balls out to make them thinner and cover more space or glue them on as is.
3. Attach the small circle onto the edge of the large circle with glue or tape.
4. Use the construction paper, buttons and jewels provided to decorate your snowman.
