

Paper Pumpkin

Pick up supplies at the Ask-Me Desk

Materials Needed

- Orange paper
- Green pipe cleaners
- Scissors
- Ruler
- Hole Punch

Instructions

- Using the ruler, divide the paper into sections that are 1-2 inches wide.
- Cut them out
- Use the hole punch to punch a hole at both ends of the paper strip
- Create a loop at the end of one pipe cleaner
- Put each of the strips of paper onto the pipe cleaner.
- Take the other side of the paper and put the pipe cleaner through the hole.
- Spread out the pieces of paper
- Make another loop at the the top of the pumpkin.
- Display!
