

Very Hungry Caterpillar

Paper Chain

Materials:

- Green Paper
- Red Paper
- Brown paper
- Googly eyes
- Tape or Glue

Instructions:

1. Cut the green paper into strips—the short way.
2. Glue the end of a green strip together and repeat with the remaining green strips, looping each strip into the previous strip.
3. Loop the remaining red strip through the last green one and glue it together.
4. Make a crease on the top.
5. Cut out two antennae with the brown paper and glue them to the back of the crease on the red link.
6. Glue the googly eyes onto the front of the caterpillar's face.
7. Use a marker to draw on a nose and you are all done!
