

Penguin in Winter Wonderland

What's in the Craft Kit:

Template with cute penguins

Coffee Filter Paper

Cotton balls

Blue paper

1 Bottle cap

What you will need at home:

Glue

Scissors

Color pencils/markers

Glitter (optional)

Instructions

(Look at the example photo for reference, it will help with the steps)

Winter Wonderland:

Fold the blue paper in half.

On one half, glue on some cotton balls (fluff them out a bit first).

Draw some mountains on the coffee filter paper. Scrunch it up. Cut out the mountains.

Glue on the mountains on the side of blue paper that is standing.

Behind the mountains, you can either draw or paint stars or glue on some glitter.

Rocking Penguin:

Cut out the two penguins. Make each separately.

Glue each penguin back to back.

Put some glue inside the bottle cap.

Place half a cotton ball in the lower half of the cap.

Put glue on top and attach the penguin to it.

Now place your penguin in your beautiful winter wonderland!

And here's a list of some books found in our library about penguins. We have a lot more!
