## The Itsy Bitsy Spider

The itsy bitsy spider  
went up the waterspout.  
Down came the rain  
and washed the spider out.

Out came the sun  
and dried up all the rain.  
And the itsy bitsy spider  
went up the spout again.

# Craft

**You will need:**

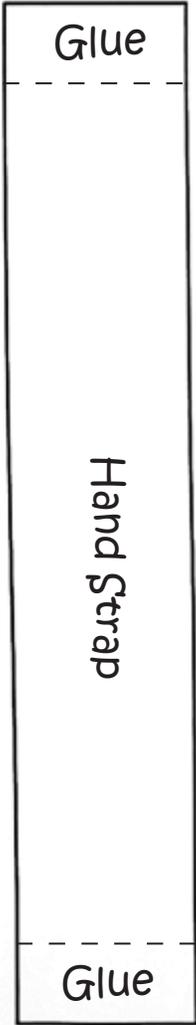

glue or tape  
markers, Crayons or black paper  
scissors

**Instructions:**

1. Color and cut your spider puppet and legs, or trace your puppet and legs on black paper.
2. Fold the legs zig-zag or like a fan.
3. Glue or tape the eight legs to the spider's body.
4. Add glue or tape on each end of the hand strap and glue it to the underside of your puppet. Now you can hold your spider puppet.
