Groundhog Puppet

Materials Needed:

- **Template (brown construction paper)**
- **Green construction paper**
- **Scissors**
- **Glue**
- **Markers**
- **Tape**
- **Googly eyes**

Instructions

If needed, use the photo for reference

1. Roll the green paper into a tube.
2. Tape it closed
3. Cut out a circle
4. Fold it in half and cut a small hole big enough for the popsicle stick
5. Tape the circle to the bottom of the tube
6. Cut the top of the tube so it looks like grass
7. Push it down so it fans away from the tube and set it to the side
8. Cut out the circle on brown paper
9. Glue to a popsicle stick
10. Cut out half circles and glue to the large circle as ears
11. Glue on the googly eyes
12. Draw a nose and mouth
13. Slide the popsicle stick through the hole in the bottom of the tube
14. Pull the stick to make the groundhog appear and disappear
