Happy Valentine's Day!

Instructions on back...

Materials Needed:

- Heart Buddies template (2 hearts)
- Markers
- Single hole punch
- 2 Pipe cleaners
- Googly eyes
- Glue
- Scissors

Instructions:

1. Draw a face on one of the hearts and glue some eyes onto the face. Use your creativity to color the heart however you would like.
2. On the blank heart, write a note for the special person you are going to give it to.
3. Cut out the hearts. With a grown-up's help, punch 2 holes into each of the sides of the cover heart (4 holes total) that you decorated with a face.
4. Weave one of the pipe cleaners through the top two holes to make the arms
5. The other pipe cleaner will go through the bottom holes to make the legs.
6. Fold the ends of the pipe cleaners over to make the hands and feet.
7. Glue or tape the side of the front heart to the back heart to connect the 2 pieces into a card.
8. Deliver your heart buddy to someone you care about!
