Name Snowman Instructions

1. Cut out the circles.
2. Write a letter of your name in each circle, leaving one circle blank.
3. Glue the circles together so the letters spell out your name.
4. Draw the snowman's face on the blank circle.
5. Cut out a carrot from the orange construction paper and glue it to the snowman's face as the carrot nose.
6. Use the colored construction paper to make a scarf and hat for your snowman.
7. Decorate the snowman however you'd like and glue or tape the string to the back of the hat so you can hang your new decoration.
