

# Winter Lantern

## Supplies at Ask Me Desk

### Materials Needed:

Cardstock  
Newsprint  
Template  
Glue  
Scissors

### Instructions:

1. Fold the cardstock into thirds ( $\frac{1}{3}$ )
2. Trace the template into the middle section
3. Cut it out
4. Glue the newsprint behind the space
5. Cut excess newsprint off
6. Fold the edge of one of the blank sections
7. Put glue on it
8. Fold the other section over and attach
9. Let dry
10. Display with a light in the lantern (NO CANDLES)
